Biopharmaceutical Alliance

Published On: 10-06-2024

What is Biopharmaceutical Alliance?

It is an alliance of India, South Korea, Japan, the US, and the European Union to put joint efforts into building a resilient supply chain in the biopharmaceutical sector.

The alliance was inaugurated in San Diego during the Bio International Convention 2024.

The participants emphasised the importance of a reliable and sustainable supply chain and agreed to coordinate the respective countries' biopolicies, regulations, and research and development support measures.
