INS Sumedha visits Bali, Indonesia

Published On: 05-08-2022

INS Sumedha is an **indigenously built Naval Offshore Patrol Vessel** and is deployed for multiple roles independently and in support of fleet operations.

The visit to Bali is aimed at strengthening bilateral ties, enhancing military cooperation and improving interoperability with the Indonesian Navy.

The important exercise **India-Indonesia Coordinated Patrol (IND-INDO CORPAT)** is a naval exercise that is being conducted between the navies of India and Indonesia since 2002.

Other Exercises between India and Indonesia: **Samudra Shakti**: A bilateral maritime exercise, **Garuda Shakti**: A joint military exercise.
