Pradhan Mantri Uchchatar Shiksha Protsahan (PM-USP) Yojana

Why is in news? Budget 2023 is a case of education taking a hit

The allocation made for education in the Union Budget 2023, the provision of ₹1,12,000 crore as compared to ₹1,04,000 crore, does not take the education sector any closer to the top 10 list of allocations as a percentage of GDP. Still, an increase of ₹8,000 crore may be termed as a massive increase.

PM-USP is the **central sector scheme of scholarship for college and university students.**

Its objective is to provide financial assistance to meritorious students from poor families to meet a part of day to day, while pursuing higher studies.
