The **gender Balance Forum** to be held at the World Government Summit 2023 reflects UAE's commitment to be a global and regional role model in advancing gender balance.

The discussions at the Forum will generate a wealth of insights on new directions, mechanisms and initiatives that can help close the gender balance gap worldwide.

The Gender Balance Forum will look at ways to deepen partnerships between the government and the private sector to advance the economic empowerment of women and overcome the challenges they face.
